AMERICA'S FALLEN FIREFIGHTER MEMORIAL BRICK FUNDRAISING CAMPAIGN

In early 2011, a new Fallen Firefighter Memorial will be constructed in Ogden, Utah. The Memorial will be located at 25th and Washington Blvd. It will honor all firefighters who have lost their lives in the line of duty. The Memorial will represent and honor all Firefighters in the 50 States, including volunteer, full time, union members, wildland, private brigade, industrial, government and military firefighters who have lost their lives since America became this great Nation.

The Memorial will be open daily to the public with a memorial service of national proportion being held each year to pay respect and honor our fallen firefighters.

We will invite all American's to visit the Memorial each year to pay respect to those who have lost their lives.

The Brick Fundraising Campaign is an opportunity to be part of this Historic Memorial.
