AMERICA'S FALLEN FIREFIGHTER MEMORIAL BRICK FUNDRAISING CAMPAIGN

In early 2010, a new Fallen Firefighter Memorial to be constructed in Ogden, Utah. The Memorial will be located in the Mountain West, with the Wasatch Mountain Range in the background and will honor all firefighters who have lost their lives in the line of duty. The Memorial will represent and honor all Firefighters in the 50 States, including volunteers, full time, union members, wildland, private brigade, industrial, government and military firefighters who have lost their lives since America became this great Nation.

The Memorial will be open daily to the public with a memorial service of national proportion being held each year to pay respect and honor our fallen firefighters. We will invite all American's to come out once a year and pay respect to those who have lost their lives.

The Brick Fundraising Campaign is an opportunity to be part of this Historic Memorial.
